

*"Ballynatray Estate is a truly unique, hidden gem of Ireland, and offers the most magical setting for a wedding. Exclusive hire of the house and estate includes accommodation for up to 28 guests in its beautifully restored cottages, apartments and Ballynatray house itself, all of which have maintained the charm and elegance that so epitomises Ballynatray. The beauty of this venue is the tranquility and informality combined with 5 star service, and the comfort and splendour that you can call your own. Ballynatray is an incredibly versatile venue and accommodates blessings, civil ceremonies, marquee weddings or intimate dining and dancing in the house. Guests can enjoy delights from the house wine list, and indulge in seasonal organic produce sourced on the estate, carefully prepared by the in house catering team. Ballynatray also offers a variety of activities such as simulated clay pigeon shooting, deer stalking, Blackwater River cruises, fishing, tennis, garden tours, and endless walks on the estate.*

*Ballynatray is definitely in a league of its own, and I'm yet to come across such an enchanting venue anywhere else in Ireland." 3rd October 2011*
